

CENTRIFORCE

Changing the face of plastics

Working with partners towards Innovative recycled plastic applications using **STOKBORD®**

Hoardings

Recycled Plastic Hoardings made from Stokbord® to be used in Construction Projects.

DARFEN
DURAFENCING

Waitrose

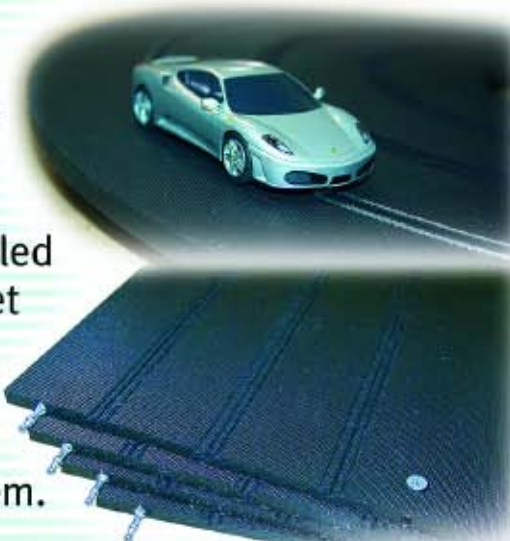

“Waitrose are working closely with Centriforce to produce quality, UK manufactured products from our plastic packaging waste.

Together we are actively working towards closed-loop solutions.”

*Mike Walters
Recycling Manager, Waitrose*

SlotCar Race Track

An exciting new project for schools and clubs, using Recycled Plastic Sheet Stokbord® in a new SlotCar racing system.
